A high-contrast, black and white image showing a dense, textured pattern, possibly a close-up of a woven fabric or a heavily textured surface. The pattern consists of repeating diamond or cross shapes, creating a complex, grid-like structure. The image is framed by a thick black border.

A large, detailed black and white photograph of a fingerprint. The ridges are dark and form a complex, swirling pattern. The central part of the fingerprint shows a distinct core, with ridges radiating outwards and then curving back towards the center. The overall shape is roughly oval, with the ridges becoming more parallel towards the edges. The background is a light, textured surface.
